**ASSIGNMENT OF INTERNATIONAL AND UNITED STATES PATENTS AND
PATENT APPLICATIONS**

This Assignment of Patents and Patent Applications is made and entered into as of March 18, 2007, by Commil, Ltd., a corporation in good standing and existing under the laws of Israel ("Assignor"), in favor of COMMIL USA LLC, a Texas limited liability company ("Assignee").

WHEREAS, Assignor is the owner of the patents and patent applications set forth in Exhibit A attached hereto and incorporated herein by reference (collectively, the "Patents"); and

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to the Patents.

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers unto Assignee, its successors, assigns and legal representatives, the entire right, title and interest, including, but not limited to, domestic and foreign rights, and all divisionals, continuations, renewals, reissues, substitutions, continuations - in-part, extensions, and re-examinations, in and to the Patents, and all rights to sue for injunctive or equitable relief, and any and all causes of action, either in law or in equity, for damages for past, present or future infringement of the Patents, throughout the entire world. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all patents for said inventions, or patents resulting therefrom, insofar as Assignor's interest is concerned, to the said Assignee of Assignor's entire right, title and interest.

Assignor also hereby sells and assigns to said Assignee, its successors, assigns and legal representatives the full and exclusive rights, title and interest to the inventions disclosed in the Patents throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said inventions in its own name throughout the world, including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries.

Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary or appropriate to perfect such rights, title and interest assigned hereby in Assignee, its successors, assigns and legal representatives.

Assignor hereby further agrees that it will communicate to said Assignee, or its successors, assigns and legal representatives, any facts known to Assignor respecting any improvements; and to testify in any legal proceedings, sign all lawful papers, execute all provisional, divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything reasonably possible to vest title in said Assignee and to aid said Assignee, its successors, assigns and legal representatives to obtain and enforce proper protection for said inventions in all countries, all subject to reimbursement by Assignee of Assignor's reasonable expenses in connection with such actions.

In furtherance of the foregoing, Assignor hereby grants to Assignee an irrevocable power of attorney, coupled with an interest, with full power of substitution and delegation, to execute and file all applications, assignments, declarations, affidavits, and any other papers in order to effectuate the transactions and assignment herein made and to further evidence and protect such assignment and to assure the proper assignment of all the Patents (foreign and domestic) to Assignee, in Assignor's name, place and stead, just as fully as might Assignor, and to sign and file all lawful papers, execute and file all provisional, divisional, continuation, continuation in part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title to the Patents in Assignee and to aid Assignee, its successors and assigns, to obtain and enforce proper protection for the inventions claimed in the Patents in all countries, including to prosecute the pending applications, to make alterations and amendments therein, to receive the patent, and to transact all business in the U.S. Patent and Trademark Office connected therewith, and to file and prosecute any international patent application filed thereon before any international authorities.

Assignor represents and warrants to Assignee that: (i) Assignor is a corporation duly organized, validly existing and in good standing under the laws of the Country of Israel; and (ii) Assignor has the full right, power and authority to enter into this Assignment and grant the rights granted in this Assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 18 day of March, 2007.
